In your finances, the time has come for you to reach the places that you have been trying to get to for years and know exactly what to do when you get there. Many of you have been in a “wilderness experience.” But, you being in the wilderness is for a reason. God is training you to keep your mind on Him at all times and to know that He alone is your source.

And thou shalt remember all the way which the LORD thy God led thee these forty years in the wilderness, to humble thee, and to prove thee, to know what was in thine heart, whether thou wouldest keep his commandments, or no. And he humbled thee, and suffered thee to hunger, and fed thee with manna, which thou knewest not, neither did thy fathers know; that he might make thee know that man doth not live by bread only, but by every word that proceedeth out of the mouth of the LORD doth man live. – Deuteronomy 8:2-3

The Children of Israel were in the wilderness for forty years. But, don’t get so caught up in the time that they spent. Your time in the wilderness is determined by your ability to be led and how willing you are to follow God’s direction. For, every Godly blessing comes with God’s direction.

You see, anybody can get some money. Especially, if they are willing to do anything to get it. What I’m talking about is God blessing you with finances that cannot be taken away from you. I’m talking about God escorting you into complete and total financial freedom. I’m talking about you receiving treasure from heaven. Scripture says:

Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal: But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal: - Matthew 6:19-20

One very important direction that God sends before His blessing is that you have to know the difference between laying up treasure on earth and laying up treasure in heaven. The difference is found in the next verse: For where your treasure is, there will your heart be also. Your heart should

be with God whether you are in the wilderness or in your wealthy place. You must ask yourself: Can God count on me to let His blessing flow unlimited in and through my life?

I’ve been in the wilderness before but I’ve also been out of the wilderness for a very long time now. The reason I got out and stayed out was because my heart has stayed the same towards God all the while. I am always seeking His direction and I am willing to use all that He has blessed me with for his purposes.

God is looking to bless you but He has to make sure you will be able to handle what He is aiming to give you. 2 Chronicles 16:9 says: For the eyes of the LORD run to and fro throughout the whole earth, to shew himself strong in the behalf of them whose heart is perfect toward him. Herein thou hast done foolishly: therefore from henceforth thou shalt have wars.

Your wars and your wilderness come from you not following the direction that God is giving you for your blessing. But all you have to do is stay focused on the mouth of God and the material things won’t be a problem for you.

Your time is NOW! God is willing, right now, to show Himself strong in your finances. Just yield to His direction and be teachable. Yes, God will give you direction personally but He will also use the men or women of God that He has called to give you direction.

It’s time to be released from earth’s pressure and walk in the ease of heaven’s blessing. Financial struggles have to leave your life! May the Lord’s blessings be released on your life with wisdom and a willing heart to walk in them!

Blessings,

Apostle Leroy Thompson Jr
