I AM A MONEY MASTER

The Lord is looking for men and women that He can anoint as masters of money – those He can train to master money for the kingdom. A master is someone or something who has control over what you can and cannot do. The truth is that if you are not mastering money, money is mastering you - which ultimately means that Jesus is not your master. Matthew 6:24 tells us, **No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.**

You see, you have to get this money thing under control before you can serve the real Master. Why? Because there are certain times that God may want you to do something but you can't due to a lack of money. If money is telling you where you can't go, how much you can have, and what you can't do – it has falsely become your master.

In my life, money obeys me because I obey God with my money. I know that my money belongs to my Master, therefore, my money cannot become my master. I AM a money master for the kingdom and I want you to be able to say the same thing about yourself.

See, the revelation of the I AM-ness is that you and God are one. So, you being a money master for the kingdom is not about you. It's about what you and God can do together when He is in full control. When you eradicate all thinking that you having money is about you, then you are in a position to master your money for the kingdom.

In Matthew 6:19, the Master teacher, Jesus says, **Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:** Jesus wasn't telling you that you could not have treasures. He was telling you not to let your treasures have you.

You see, whatever it is that you physically possess on the outside is a direct manifestation of what you possess on the inside. God is willing to give you all the "treasure" that you need, He just needs to make sure that you are equipped to handle it from the inside. Believe it or not, the money you need is already on the inside of you.

Jesus says, *What I give to you has to come from the inside so I can be your master and then you can master it properly for me. The only reason you don't have it right now is because I don't trust you and the reason that I don't trust you is because you don't trust me. It's your move. I've made my move. I've done everything you need to be completely free from this system, but you have got to totally trust me. When I tell you to do something awkward, you need to do it. You need to do it without thought. You need it do it instantly when I speak, because some things I'm going to tell you to do, if you think about it, you're not going to do it.*

The power to master money is within you. Why do you think Jesus told us to seek first the kingdom of God? (Matt. 6:33) Because the kingdom of God is on the inside of you! (Luke 17:21) If the necessary adjustments are made on the inside, then your circumstances on the outside don't have a choice but to change.

With this revelation, I want you to make the correlation between Matthew 6:19 (pg. 1) and John 10:10a, **The thief cometh not, but for to steal, and to kill, and to destroy.** You see, when your financial efforts only on the outside, the enemy has an opportunity to steal from you. But, Satan cannot steal what's within you. If you're rich on the inside with kingdom riches, then your outside will produce kingdom riches that cannot be taken away or stolen.

The finances that your life has been producing is a direct result of what's on the inside of you. You see, manifestation is not invisible – you either have it or you don't. That may unsettle you a little bit. But, if bills, lack, limitation, and working your whole entire life is mastering you – you need to be unsettled!

It's time you turn your inner man loose on your finances. Since God told you that He has given you *richly* ALL things to enjoy (1 Tim. 6:17b) and that He'll give you the desires of your heart when you delight yourself in Him (Psa. 37:4) – why don't you have control over your finances? Where is it that you are going wrong?

If you read the text about the rich young ruler in Mark 10, you'll see that Jesus found out who the young ruler's master was by dealing with his money. This young man was very respectful towards Jesus, He even referred to Jesus as "Master." But, when it really came down to it, the reference of Jesus as His master was in word only. When Jesus gave him some instructions on what to do with his money, he failed the test. This is the same way Jesus finds out who is your master when it comes down to your money. Every time you disobey God in your finances, there's a missed opportunity for God to supernaturally set you free.

You becoming a money master for the kingdom is a heart issue. You may call Jesus "master," but is He really your master? Or is that paycheck from your job or your business your master? Don't let that \$2,800 paycheck hold you back from the \$28,000 that God is trying to get to you.

Whether you know it or not, Jesus sits by your treasury to locate your heart. He is trying to determine how much He can trust you with. If He were to give you more, would you do with it what He tells you to? Would you hold it back? Would you destroy yourself?

No matter what your financial climate is, I want you to immediately take authority over all the money that you have. You take authority over it right now and place everything you have into the hands of the real master. If you don't take authority over your money now, it will only get worse. Stop worrying about people who will talk about you for being a Christian with money. Just be willing to give whatever you have, no matter how much you have, over to the master.

Make this Confession: **"Jesus, you're my master. You're the master of my finances. You are the master of money and money is not my master. Money is not going to tell me what to do. Whatever you tell me to do, that's what I'm going to do - with whatever I have!"**

In Him,

Apostle Leroy Thompson Jr
